(4th Edition)**

Ride for wishes!

Greetings,

Please join me and a group of over 300 riders who are bicycle fans or just enjoy the gift of life. We'll be riding in teams of 6 to help fulfill the wishes of children who are struggling with a life-threatening illness to create hope, strength and joy.

Fifty teams of six cyclists each will ride on the Gilles-Villeneuve Circuit for the Make-a-Wish® Quebec Foundation during forty-eight hours (an average of four hours per cyclist per day).

THIS IS NOT A RACE, but an opportunity to personally go one step further for children who aren't as privileged as we are!
